

The background is a complex abstract composition. It features a dark teal, textured base. In the top left, there is a yellow square with thin, parallel diagonal lines. A large, semi-circular shape in shades of blue and green overlaps the top center. On the right side, there are vertical blue bars. Below these, a yellow grid-like pattern of thick, irregular blocks is visible. In the bottom left, there are several concentric white circles. The bottom right features a circular area with diagonal yellow lines. The overall aesthetic is modern and graphic.

**Nº7**
